Embracing the Female Voice in Our Society

Theatre is the perfect vehicle of empathy. It has allowed Deborah Randall to explore many worlds with varying points of view. Immersion into other worlds changes the experience of life. Experiencing theatre as an audience member, finding ways to support it by embracing living playwrights from all over the world, and executing the journey with artistic teams and direction have allowed Deb to create Venus Theatre at the Venus Theatre Play Shack.

Deborah is an award winning writer, director, and actor. Come listen to her talk about her entrepreneurial journey from UMBC to becoming founder of her own theatre.
