## THE RAYMOND V. HAYSBERT, SR. ENTREPRENEURSHIP LECTURE SERIES

### **Empathy to Action: How to Use Entrepreneurship to Grow Community and Impact**

Come listen to Brittany Young talk about how to control the narrative and make systemic change by empowering the people closest to the problem. You'll learn about B360, a social enterprise that uses dirt bikes to teach STEM, transform the motorsports industry and build community around a culture often demonized. The session is designed to uplift participants to become change agents, allies and accomplices to develop ideals that can be shared and incorporated to create systemic change.

**March 9, 2022**  
**Noon - 1 p.m.**  
**Library Gallery**

You can master Computer Vision, Deep Learning, and OpenCV

The Raymond V. Haysbert, Sr. Entrepreneurship Lecture Series provides a platform for successful entrepreneurs to candidly share their experiences and insights with UMBC students, faculty, alumni and the Baltimore business community. The series highlights experiences, lessons learned and unique issues and challenges faced by entrepreneurs in the creation of a new enterprise.
