Presents

THE RAYMOND V. HAYSBERT, SR. ENTREPRENEURSHIP LECTURE SERIES

From UMBC to Tech CEO

Come listen to Delali, CEO and Founder of Fearless, talk about his entrepreneurial journey after he left UMBC. Every day Delali strives to make a difference in technology and in his surrounding community. He is passionate about increasing the rate of city youth heading into STEM fields and works closely with city nonprofits to provide funding and mentorship programs in city schools, as well as other educator initiatives.

Fearless is a full stack digital services firm in Baltimore, Maryland with a mission to create software with a soul - tools that empower communities and make a difference. Fearless delivers sleek, modern, and user-friendly software designed to push the boundaries of possibility, to create a world where good software powers the things that matter.

April 8, 2020

Noon - 1 p.m.

University Center, Room 312

The Raymond V. Haysbert, Sr. Entrepreneurship Lecture Series provides a platform for successful entrepreneurs to candidly share their experiences and insights with UMBC students, faculty, alumni and the Baltimore business community. The series highlights experiences, lessons learned and unique issues and challenges faced by entrepreneurs in the creation of a new enterprise.
